## PRINTERS' STRIKE HITS DAILY

Members of the San Jose Typographical Union called a strike yesterday at a number of San Jose printing plants including Globe Printing Co., which prints the Spartan Daily, and Rosicrucian Press, which prints LaTorre.

During the strike, the Daily will be mimeographed. Publication of LaTorre is jeopardized, however, and the book may not be on campus for its scheduled appearance June 16.

Bulletins, late announcements, and special news will be posted throughout each day in the Publications Office windows.

## JUNE ROBERTSON FOR QUEEN RALLY TODAY AT 12:30 ALL INVITED

Today at 12:30 in the outer quad, the Eros and Beta Chi Sigma will introduce their candidate for Spardi Gras Queen. Her name is June Robertson, "the girl with the smile". It has been arranged to have a mixed chorus of 100 voices singing her praises at the Rally. Besides this there will be a "hot" instrumental ensemble to furnish the "Jive of the day." According to "Slat" Slatoff, who will act as MC, "This will be the finest rally of the Queen Campaign."

June Robertson, a graduate of Sequoia High school, is now a junior at State. She has been active in school affairs since her freshman year, when she was a member of the frosh council. As a sophomore she was elected class president. She has also been a member of the Spartan Spears, Social Affairs committee and the AWA Cabinet.

June is very fond of swimming and out-door sports, and has appeared in several of the extravaganzas here at State.

## STUDENTS AIR GRIPEs AT DINNER MONDAY NIGHT; PLAN MEETING

More than 100 students aired "gripes" at the annual Gripe Dinner in the Student Union Monday night. Among the complaints offered were the following:

### PUBLICITY

Several students complained that San Jose State needs a planned publicity campaign. Keith Pope suggested, and the group agreed, that a paid professional publicity director is needed.

### SPARTAN DAILY

Several gripes were directed at the Spartan Daily.

1. The paper and the council should work closer together.
2. Thrust and Parries should be signed. There was a difference of opinion about this.

3. The question, "Will all queen candidates be featured as Esther Hessling was?" was answered by, "That was the plan, but the printer's strike may now interfere."

### ASB MEETING

At the suggestion that Dr. MacQuarrie be invited to a special ASB meeting to hear student gripes, Hugh Johnston, president, said that such a meeting will be planned to take place within the next two weeks.

### STREETS AND SIDEWALKS

The city council will be contacted to consider a boulevard stop from 7th and San Carlos streets to Spartan Stadium and vertical parking spaces on all streets in the campus area.

A complaint was made that mud covered sidewalks were a slippery menace.

We, too, will be glad to see this strike over.

ADVANCED PIANO STUDENTS TO GIVE RECITAL FRIDAY IN LITTLE THEATER

Advanced piano students of William Erlendson will give a recital in the college Little Theater at 8:15 Friday evening.

They will present such composers as Bach, Mozart, Schumann, Chopin, Liszt, Debussy, Rachmaninoff, Shostakovich, and Kabalevsky.

Students on the program are George Walston, Beverley Strong, Roberta Mitchell, Christina Fucile, Patricia Lamson, Rachel Barton, Vern Williamson, Robert Belknap, Elizabeth Smith, Virginia Del Grande, Dottie Rae Fliflet, and Francis Phillips.

NEW PLAYERS WILL BE INITIATED

San Jose Players will initiate twenty members in a formal ceremony in the Silver Room at the St. Claire hotel Tuesday, May 21.

Participation in at least two plays and earning a minimum of 15 points in either technical or acting work constitutes eligibility in the organization.

Mr. James Butler and Miss Wilda Merritt will become honorary members at the ceremony.

SPARDI GRAS PROGRAM PROGRESSING

Carmendale Fernandes announces that this year's Spardi Gras Bean Feed program will feature all new talent.

"There will be visible evidence of the return of men," she says. Song and dance teams of both men and women will perform.

First rehearsal for the entertainment will be tomorrow night at 7 o'clock in the Morris Dailey Auditorium.

All people who have tried out and have been contacted, as well as all members of the entertainment committee, must attend this meeting.

"No excuses will be accepted," emphasizes Miss Fernandes.

MRS GRAY AND MISS CRUMBY TO ATTEND EDUCATION CONFERENCE

Mrs. Lillian Gray, associate professor of education, will be the main speaker in Los Angeles this coming Saturday at the regional conference of Delta Phi Upsilon, national honorary education fraternity. Miss Mabel Crumby, assistant professor of education, will attend the same conference as a representative of San Jose State's chapter of Delta Phi Upsilon.

SOFTBALL SPREAD HELD THURSDAY

The annual Softball Spread will be held Thursday from 4 until 8 o'clock.

Class teams are being formed for the softball play offs, and anyone interested in being on a team may sign up in the Women's gym. Food and entertainment will follow the play offs.

Tickets may be purchased in the P.E. office for 35 cents.

TO SING WITH S.F. OPERA

Esther Hessling, sophomore speech major of San Jose State has been accepted into the cast of the San Francisco Opera Company and will leave this summer on a tour of the Western states.

A mezzo soprano, Miss Hessling sings in French, German and Italian. For the tour Miss Hessling is required to learn parts to 17 operas.

The San Francisco Opera will appear in the San Francisco Metropolitan Opera house.

Miss Hessling has studied voice for two years.

## GOLFERS PLAY TOMORROW AT HILLVIEW: TENNIS FRIDAY

With the CCAA tennis championship playoffs still up in the air the Spartan netmen continue their regular schedule this week with Friday's match against Menlo Junior College at the Palo Alto Community Center at 2 p.m.

Coach Bill Felse has made tentative arrangements to play Fresno for the title Saturday at either Los Banos or Fresno. The playoff is necessary because last week's matches were called on account of darkness with Fresno and San Jose tied for conference leadership.

Slated as a tune-up match is the golf contest tomorrow at Hillview against Salinas junior college.

Figuring to nip the Panthers without much trouble Coach Walt McPherson is hoping at the same time to bring his squad to a fine point for its Friday match against California. Last week the Bears defeated San Jose in handy fashion and McPherson's men are out to even the series.

## SPARTANS MAY SURPRISE IN FRESNO RELAYS

Bud Winter and his Spartan track team will make their final bid of the current season for West Coast supremacy Saturday in the Fresno Relays.

For the first time this year depth will have no effect on the outcome of the meet. With the outstanding runners and jumpers from every school in California competing, it will be a case of who takes the firsts, or getting there firstest the mostest. At this writing Dean Cromwell and his U.S.C. Trojans look like the firstest team in the nation. They are already chalking up another Coast title in the record books on the Los Angeles campus.

San Jose may pull a big surprise in the quarter mile relay with Smalley, Rhyne, Parton and Bingham. The first three have swept the hundred in their last two appearances and won't be clay pigeons for the Trojans in this one.

The Spartans did not enter a team in the Relays last year for the first time in many seasons. However, Bill Rhyne was there and garnered six points for himself and the U.S. Maritime Service. Possibly he will have a little more support this year.

## "BLITHE SPIRIT" REHEARSALS UNDER WAY

Rehearsals, under the direction of Mr. James Butler, for the new campus play, Blithe Spirit, have been under way this past week.

This improbable farce by Noel Coward features seven characters in all. John Calderwood, Marian Samuels, and Barbara Cornwell will play the leading roles.

SEA-GOING COWBOYS TAKE  
HEIFERS TO EUROPE

Do you want your summer vacation to include a free trip to Europe and \$150 in cash when you return?

Through signing up this week with the Heifer Relief Project, college men may have this five to nine week trip as livestock attendants, otherwise known as "sea-going cowboys" on ships delivering heifers to European ports either in the Baltic, France, or through the Mediterranean to Italy and Greece.

By summer more than 30 ships will be sailing monthly with over 900 attendants aboard. The goal is to deliver over 200,000 animals to Europe before the end of this year.

Already four students have expressed an interest in making the trip. They are James McDonnell, John Keith Pope, Eugene Rose, and Hal Stone. More sign-ups are expected.

Contributions to Heifers for Relief may be made in the Library arch from 11 to 1 today and tomorrow, and in the SCA office or Business office at any time.
